The Detail of alloy steel precision cast clamp, clamp of alloy steel investment casting:

Model No: alloy steel precision cast clamp -04

Casting series: alloy steel investment casting

Casting Material: alloy steel

Casting type: silica sol precision casting

Lead time of die casting mold: 25 days

Post treatment: acid cleaning

Precision Machining: drilling and milling by machining center

Product Origin: China

Brand Name: Cinda steel investment casting

Price Terms: FOB Ningbo

Payment Terms: T/T,L/C

Supply Ability: 30,000-40,000sets/month

Die casting mold lead time: around 30 days

If you want to purchase or know more information about alloy steel investment cast clamp – 04, please contact us!
