The Detail of carbon steel precision cast steering handle, machinery steering handle of carbon steel investment casting:

Model No: carbon steel precision cast steering handle - 01

Casting series: carbon steel investment casting

Casting Material: carbon steel #45

Casting type: silica sol precision casting

Lead time of die casting mold: 25 days

Post treatment: acid cleaning

Precision Machining: turning by CNC turning lathe

Product Origin: China

Brand Name: Cinda steel investment casting

Price Terms: FOB Ningbo

Payment Terms: T/T,L/C

Supply Ability: 30,000-40,000sets/month

Die casting mold lead time: around 30 days
